

TRUE GLAZE BATHTUB REFINISHING —

ABOUT US

True Glaze Bathtub Refinishing has been in the business of tub refinishing, bathtub resurfacing, sink refinishing, and tile refinishing since 2005. We are the team to call if you have aged bathtubs, sinks and tiles that are unsightly, hard to clean and have chipped that you would want to refinish. Prior to its establishment in 2005, our team had overall collective experience in tub refinishing for the past 35 years. We have since offered the best tub refinishing services in Boston, Medford, Lawrence, Lowell, Haverhill and other nearby places in MA. If you are looking to restore your bathtub to its former glory, you are in the right place.

We understand that with the natural wear and tear of bathtubs, they may start to have ungodly stains, chips and cracks. We have always acknowledged that replacing bathtubs, tiles and sinks with new ones just is not an option everyone can have. Replacing just does not cut it. It can get pricey and equally hassling for you.

We at True Glaze Bathtub Refinishing are here to help you. In our many years of operation, we have been able to develop and revolutionize new ways and methods of bathtub refinishing, bathtub resurfacing, tile refinishing and sink refinishing for both commercial and residential places in Boston, Medford, Lawrence, Lowell, Haverhill and other nearby places in MA. We are here to provide you with an affordable alternative and a cost-efficient way of restoring your bathtub like it is good as new. Get to know the best tub refinishing service in Massachusetts, contact us, and booked an appointment.

TRUE GLAZE BATHTUB REFINISHING —

THE BEST

Have the upper hand at defeating harmful bacteria and viruses with True Glaze's High Temperature Steaming Service. At a time like this, it is highly important that we are cautious with the cleanliness and sanitation of our homes. True Glaze has long used high-temperature steaming with our bathtub refinishing services. At this time, we thought of being of service to our fellowmen at Boston, Andover, Newton and other cities and counties in MA. Now more than ever, we all need to help each other beat harmful bacteria and viruses. With our home sanitizing service, together we can have the upper hand and beat the unseen enemy. At True Glaze, we can have a routine cleaning to keep your homes sanitized and be rid of dangerous contamination of virus. With our high temperature steaming service, we can kill these harmful viruses before it enters your system. Our home sanitizing service aims to kill allergens, bacteria, viruses, and odors in your home.

If you want to keep you and your family safe and are from around Boston, Andover, Newton and other nearby cities and counties in MA, contact us and we will schedule your home sanitizing service immediately.

WHAT DO WE DO? We help you clean your homes. We do a general cleaning on homes to help homeowners sanitize their rooms with our high temperature steaming service. We will wipe and disinfect all surfaces according to and in compliance with Centers for Disease Control and Prevention (CDC) guidelines; do deep cleaning on your sofa, beds, pillows and carpets via the high temperature dry steaming service. The moment we step inside your place, we systematize so we can finish our job quickly and efficiently. We have specialized our cleaning methods so we have minor intrusions in your homes. Customer satisfaction is the foremost goal in our business. We guarantee you that you're going to get the most of what you've paid for with us. If you are from Boston, Andover, Newton and other nearby areas in MA.
